International American University College of Medicine provides transportation to and from the campus for all students who choose to participate. The IAU shuttle is a safe, reliable, affordable and convenient method of transportation for IAU students. The shuttle will provide service for two pick up times in the morning and four in the evening, allowing flexibility to accommodate students' schedules.

**All incoming students are required to utilize the shuttle service.*

**All students enrolled in the Combined Pre-Health/Doctor of Medicine Program are required to use IAU's shuttle service for their entire length of the undergraduate program.*

**All students enrolled in the Doctor of Medicine Program are required to use IAU's shuttle service for their first term on the island.*

**Returning students must sign this form each term if they wish to continue the shuttle service.*

By signing below, student agrees to the terms and conditions in this form and that a transportation fee will be assessed to your student account.
